THIS AGREEMENT, made and entered into this 20th day of July, 2005, A.D., by and between MONROE COUNTY, FLORIDA, (hereinafter sometimes called the "Owner"), and Keys Security, Inc. (hereinafter called the "Contractor").

WHEREAS, The Duck Key Security Advisory Council is desirous of having a contractor for security patrols and services in the security district; and

WHEREAS, The Monroe County Board of County Commissioners as the governing body is authorized to enter into contracts on the Advisory Board's behalf; and

NOW THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties agree as follows: That the parties hereto, for the consideration hereinafter set forth, mutually agree as follow:

1. THE CONTRACT

The contract between the Owner and the Contractor, of which this agreement is a part, consists of the contract documents, which are as follows: This agreement and any amendments executed by the parties hereafter, together with all required insurance documentation, the response to Request for Bid (RFB), and the RFB. In the event of a discrepancy between the documents, precedence shall be determined by the order of the documents as just listed.

2. SCOPE OF THE WORK

The Contractor shall provide Security and Patrols service in the Duck Key Security District for the County. The Contractor warrants that it is authorized by law to engage in the performance of the activities herein described, subject to the terms and conditions set forth in these contract documents. The provider shall at all times exercise independent, professional judgment and shall assume professional responsibility for the services to be provided. Contractor shall provide services using the following standards, as a minimum requirement:

A. Staffing

The Contractor shall maintain adequate staffing levels to provide the services required under the contract resulting from this RFB process according to attachment A.

The Contractor shall provide the County with an annual report, and other statistical reports as are required by law.

- 1) The Contractor shall provide at its own expense all necessary personnel to provide the services under this contract. The personnel shall not be employees of or have any contractual relationship with the County.
- 2) All personnel engaged in performing services under this contract shall be fully qualified, and, if required, to be authorized or permitted under State and local law to perform such services.

B. Contractor's Financial Records

- 1) The Contractor shall maintain financial records in accordance with generally accepted accounting principles.
- 2) The Contractor shall also record and maintain statistical data concerning the security patrols and services, and such additional information as may be required by the County. A quarterly report shall be submitted to the County Administrator.
- 3) The Contractor shall retain all records pertaining to this contract for a period of five (5) years after the termination of this contract.
- 4) The County, the Clerk, the State Auditor General, and agents thereof shall have access to Contractor's books, records, and documents required by this contract for the purposes of inspection or audit during normal business hours, at the Contractor's place(s) of business.

C. Public Records and Open Meeting Laws.

The Contractor acknowledges the requirement, insofar as it may be deemed to be acting on behalf of the County, to comply, when applicable, with Florida public records and open meeting laws.

3. PAYMENTS TO THE CONTRACTOR

- A. Payment under this agreement shall not exceed \$43,680, and is subject to annual appropriation by the County.
- 1) The contractor shall submit to the County a monthly invoice for services provided during the preceding month with supporting documentation acceptable to the Clerk. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the Clerk's disbursement of funds.
 - 2) The invoice will include a record of employee time worked and will differentiate time worked at the normal rate, time worked at the premium rate and additional time worked at the request of the advisory board.
 - 3) Upon receipt of the contractor's invoice in the proper form as stipulated above and upon acceptance by the Clerk, Monroe County will make payment in accordance with the Florida Prompt Payment Act, Florida Statute 218.7.

4. TERM OF CONTRACT

The term of this contract is for one year, commencing on the 1st day of August, 2005, at 12:01 A.M. and ending on the 31st day of July, 2006 at 12:01 A.M. County has the option of renewing this contract for two (2) additional one-year terms. County shall provide Contractor at least thirty (30) days notice of its intent to renew.

5. CONTRACTOR'S ACCEPTANCE OF CONDITIONS

- A. The Contractor hereby agrees that he has carefully examined the security district for which he shall provide services and has made investigations to fully satisfy himself that such site(s) is (are) correct and suitable for this work and he assumes full responsibility therefor.

The provisions of the Contract shall control any inconsistent provisions contained in the specifications. All specifications have been read and carefully considered by the Contractor, who understands the same and agrees to their sufficiency for the work to be done. Under no circumstances, conditions, or situations shall this Contract be more strongly construed against the Owner than against the Contractor.

- B. Any ambiguity or uncertainty in the specifications shall be interpreted and construed by the Owner, and his decision shall be final and binding upon all parties.
- C. The passing, approval, and/or acceptance by the Owner of any of the services furnished by the Contractor shall not operate as a waiver by the Owner of strict compliance with the terms of this Contract, and specifications covering the services. Failure on the part of the Contractor, immediately after Notice to Correct shall entitle the Owner, if it sees fit, to correct the same and recover the reasonable cost of such replacement and/or repair from the Contractor, who in any event shall be jointly and severally liable to the Owner for all damage, loss, and expense caused to the Owner by reason of the Contractor's breach of this Contract and/or his failure to comply strictly and in all things with this Contract and with the specifications.
- D. The Contractor agrees that the County Administrator may designate representatives to visit the Contractor's facility(ies) periodically to conduct random open file evaluations during the Contractor's normal business hours.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

7. INDEPENDENT CONTRACTOR

At all times and for all purposes under this agreement the Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed so as to find the Contractor or any

of his employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County.
